

## Risa Colada

### Ingredients

2 oz. liquid piña colada mix

1½ oz. Malibu rum

2 oz. vanilla iced cream

½ oz. blue curacao

Add the pina colada mix, rum, and iced cream to a blender with ½ cup of ice and blend until smooth. Add more ice if necessary. In an empty glass, pour the blue curacao, then slowly and gently pour the frozen mixture into the glass to get the curacao to swirl. Optional: top with whipped cream.
