

## Stardrifter

### Ingredients

1 oz. Smirnoff Orange Twist vodka  
1 oz. orange juice  
1 oz. pineapple juice  
1 oz. Alize Red Passion  
½ oz. banana liqueur

This is a layered drink, so be precise in the preparation. Fill a tall glass with ice, then pour the vodka, followed by the two fruit juices (these can be mixed or poured separately), and then put in the Alize so that it sits on top of the current contents. (It will mix a little bit, so don't worry about it layering perfectly.) Last, float the banana liqueur on top and serve.
